## Re: Integrity Activities at the BWF World Junior Championships – Kazan, Russia

Dear Team Manager

This letter contains important **anti-doping** and **anti-match fixing** information and also highlights **integrity activities** scheduled to take place at the BWF World Junior Championships in Kazan, Russia in September/October 2019.

As a Team Manager, it is your responsibility to make sure you have a good understanding of the information enclosed, and that you inform your players about this before the Championships.

Players have the right to compete in **clean** and **fair** badminton. We all have a responsibility to educate our players about **good sports values** and **integrity of sport**.

### Anti-Doping

Players should be informed that testing takes place at all BWF major events, so if they are selected for testing at the Championships, they must be aware of what to expect. Here is some background information for you and players:

1. *Anti-doping Overview* – basic questions and answers ([linked here](#))
2. *The Dangers / Consequences of Doping* ([linked here](#))
3. *Prohibited Substances* ([linked here](#))
4. *Therapeutic Use Exemptions (TUE)* - athletes who need medications that contain Prohibited Substances ([linked here](#))
5. *The Doping Control Process* – collecting a urine or blood sample ([linked here](#))

### Anti-Match Fixing

Players should also be aware of the *Code of Conduct in Relation to Betting, Wagering and Irregular Match Results*. This *Code* applies to all players, coaches, team managers, technical officials and others at any BWF sanctioned tournament.

1. *Anti-Match Fixing Overview* - basic questions and answers ([linked here](#))
2. *Match Manipulation* – what is this? ([linked here](#))
3. *Covered Persons* – who is covered under the rules ([linked here](#))
4. *Offences under the Code* – ([linked here](#))
5. *Betting* – what you can / cannot do ([linked here](#))

**Integrity Activities at the Championships**

To promote **clean** and **honest** badminton at the 2019 Championships, the BWF and the hosts will again have an “integrity zone” - or “**iZone**”.

The **iZone** will be available to all players, team managers and team officials throughout the Championships. It is compulsory for the players to attend the **iZone** at some stage during the Championships and to take part in the activities.

As a Team Manager, it is your responsibility to ensure that all of your players visit the **iZone** at least once to take part in all of the activities. Activities at the **iZone** will include:

1. **Education** – through the IOC’s **Athlete365** & WADA’s **ADeL** portals.
2. **Declaration** – making a commitment to clean and honest badminton.
3. **Photos & Selfies** – posting on social media using **#iambadminton**

I will also be at the Championships and will make an Integrity presentation at the Team Managers Meeting for the Suhandinata Cup. You are required to attend this presentation.

**Education Before the Championships**

Team Managers should speak to their players about the information in this letter and also arrange an anti-doping education session through your respective NADO for the players before they go to the Championships.

Soon we will send you information on two online education programmes - **Athlete365** (IOC) and **ADeL** (WADA) as well as a short questionnaire. This will help educate players on the importance of anti-doping and anti-match fixing before the Championships.

If you have any questions regarding the enclosed, please feel free to contact me by email.

Yours sincerely

Andy Hines-Randle  
**Integrity Unit Manager**
