Principles of Sanctioning

The following principles will be used when sanctioning Tournaments defined in PBGCR, Regulations 2.2, 2.6 and 2.8:

Tournament	Principle
General	<ul style="list-style-type: none"> • BWF will make best endeavours for Tournaments to be sanctioned on the same dates each year, provided there are no clashes with big multi sports games and except in years (4-year cycle) with restructuring of the whole calendar • Priority is given to higher grade/level Tournaments. • The Tournament must be organised within the geographical territory of the applicant Member applying for sanction. • The continental championships must be conducted in the weeks specifically reserved for that purpose in the BWF Calendar. Under special circumstances BWF may provide dispensation to sanction on alternative dates but these shall not clash with the dates of Grade 1 and 2 Tournaments in any continent. Such dispensation can, however, not be given repeatedly each year and any alternative date must comply with other sanction principles. Each Continental Confederation can host one individual championship, these championships must be conducted in the weeks specifically reserved for that purpose in the BWF Calendar. More than one Continental Championships can be held in the same week. These Continental Championships are eligible for world ranking points. • Grade 2 and 3 Tournaments must start and finish in the same Calendar Week (Monday to Sunday) and should preferably not be use both Monday and Sunday in the same week (for Continental Championships unless more than one Continental Championships is held in the same week). BWF may however make exemptions on a case by case basis. • In connection with Multi-Sport Games with badminton on the program, the Member in the Multi-Sport Event host country or the Continental Confederation of the Multi-Sport Event host country, are not obligated to seek sanction for such Multi-Sport Games, but must inform BWF of dates when the Member or Continental Confederation becomes aware or are notified by the Multi-sports Event organisation. BWF will, when notified about the date from a Member or Continental Confederation, liaise directly with the Multi-Sport Games organisation to process the sanction. If there are any conflict with any other already sanctioned Tournament, BWF will in dialogue with the Multi-Sport Event organizer seek to make any appropriate adjustments. BWF reserve the right to refuse sanction of a Multi-Sport Games with badminton on the program, whereby Members and players registered with the BWF cannot participate in such Multi-Sport Games. A Multi-Sport Games organizer can seek sanction directly with the BWF.
